SPA PROCEDURES

Relaxing Massage Technique combined with long movements and gentle pressure, which provides sensations of tranquility, peace and rest 220

KiteSurf Massage Massage technique that combines high pressure relaxation movements with shiatsu points 240

Hot Stone Massage A gentler massage, as the heat from the stones relaxes the muscles without applying too much pressure on the movements 240

Lymphatic Drainage Stimulates and oxygenates the lymphatic system, providing relaxation and detox 260

Facial Clay Mask with Drainage Promotes cleansing, toning, and hydration, and stimulates the facial lymphatic system, smoothing expression lines and reducing swelling 260

Prenatal Massage It stimulates vital energy points and channels to improve circulation, reduce stress, and alleviate pregnancy-related swelling. 260

You may modify or cancel your appointment up to 4 hours in advance.

No-shows will result in the charge for one relaxing massage.

All procedures last 50 minutes
